On June 19, 2001, ARIZONA WATER COMPANY ("Company") filed an application with the Arizona Corporation Commission ("Commission") for a Certificate of Convenience and Necessity ("CC&N") to provide domestic water service to an area in which records indicate you are a property owner. If the application is granted, the Company would be the exclusive provider of water service to the proposed area, and would be required by the Commission to provide water service under rates and charges and terms and conditions established by the Commission. The application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona, and at the offices of the Company, 20 North Magma Avenue, Superior, Arizona.

The Commission will hold a hearing on this matter beginning October 3, 2001 at 2:00 pm at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comment will be taken the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in this matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:
